

HOG ROAST & BBQ EQUIPMENT

The Arden Pig Company has teamed up with the leading UK manufacturer of Hog Roasting equipment and developed our own Commercial Roasting Machine.

Arden II

sales@ardenpigcompany.co.uk

Two years in the making...

With 10 years experience cooking in the industry The Arden Pig Company understand what is required from a Commercial Roasting Machine.

We have developed a machine with people who have over 30 years experience in making and supplying commercial roasting machines to the highest fabrication standards.

The Arden Pig Roasting Machines will not only meet the demands of the industry but also our own needs. We are confident that The Arden Pig Roasting Machines will give a lifetime of service and cook pigs, lamb and beef with confidence.
